

# ANCHOR CHAINLINK, CASE STUDY 1978

**ANCHOR WIRE LIMITED**  
*Trusted Quality*

**Date:** 1978  
**Customer:** FISA (The International Rowing Federation)  
**Site:** Lake Karapiro  
**Location:** Cambridge  
**Product:** Galvanised Chain Link Fencing, Made by Anchor  
**Application:** Security  
**Detail;**

The 1978 World Rowing Championships were held on Lake Karapiro, Waikato.

Not only was it considered a most friendly event with enthusiastic local support, much of the infrastructure was developed due to the generosity of the business community.

Anchor willingly provided material, expertise and labour for security fencing at the venue as an official supplier.

This included a secure zone for the competitors rowing skiffs. Anchors' contribution along with many other well known New Zealand companies was kindly recognised in writing by the Regatta's Executive Secretary, the late C. H. Hillard OBE.

Since incorporation in 1972 Anchor has supplied security and safety fencing materials to numerous Commercial, Industrial and Sporting sites. Including Stadiums such as;

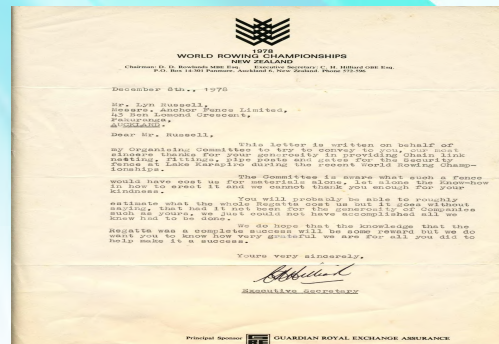

- Mt Smart Stadium
- Eden Park
- Westpac Stadium
- North Harbour Stadium
- Waikato Stadium
- Growers Stadium

Anchor has also exported its New Zealand made fencing and gate products throughout the Pacific
